WIRELESS MOUSE · THREE COLOURS

TE-1228S Black · **TE-1234S** Pink · **TE-1235S** Blue

2.4 GHz wireless · 6 buttons · up to 1600 DPI

SIX BUTTONS, WHEEL INCLUDED
2.4 GHz USB receiver · 800 to 1600 DPI

Wireless mouse with six buttons, two more than a regular one, and a 2.4 GHz USB receiver. Sensitivity switches between 800, 1200 and 1600 DPI, it runs on one AA battery and weighs 65 grams. Available in black, pink and blue.

WHAT IT SOLVES

More buttons than a regular mouse, in three colours

Six buttons

Two more than a standard mouse, with the wheel counting as one: more shortcuts at hand without installing software.

Three DPI levels

800, 1200 and 1600: the cursor moves slower for fine work or faster on large screens.

Three colours

Black, pink and blue. The same product to equip an office or for the customer to choose by taste.

One AA battery

No cables and no waiting to charge: swap the battery and carry on. The mouse weighs 65 grams with it inside.

TEROS

PART NUMBER
3 MODELS

The six buttons: the count includes the wheel, which works as one more button. On top of the three of a regular mouse, it adds extra buttons that Windows recognises as additional keys, and that is the real difference from the rest of the wireless line.

WHERE IT DELIVERS

Built for the desk that wants more than a basic mouse

OFFICES AND CLASSROOMS

Equipping many desks

One model for the whole fleet, no cables on the desk, and the option to use the colours to tell areas or shifts apart.

- 3 models available
- 2.4 GHz USB receiver
- 12-month warranty

RETAIL AND HOME DESKS

Colour drives the purchase

On the shelf and online, three colours sell more than black alone, and the price is the same for all of them.

- Black, pink and blue
- 65 g · 11.5 cm
- No cables in sight

EVERYDAY USE

Six buttons and adjustable DPI

More shortcuts at hand and three sensitivity levels, in a mouse that stays simple to use.

- Optical sensor
- 800 to 1600 DPI
- Windows 10 and 11
