ELITE

For laptops up to 17" · laptop and tablet kept apart · water resistant

FOR LAPTOPS UP TO 17"
The only one in the line that takes that size

Backpack for laptops **up to 17"**, with a rear compartment that holds the laptop and the tablet in separate sleeves. Double zip pullers with a padlock hole, water-resistant fabric and a contrasting brown microfibre detail.

WHAT IT SOLVES

Space and protection for the biggest equipment

Up to 17 inches
Takes the large work and gaming laptops that do not fit in a standard backpack.

Laptop and tablet apart
The rear compartment has a sleeve for each one, so they do not rub against each other.

Lockable double zip
The two pullers meet and take a padlock: the laptop compartment stays locked.

Water resistant
Repellent fabric with a contrasting brown microfibre detail, metal badge and silver pullers.

17 inches: most backpacks go up to 15.6", the size of an office laptop. 17" machines are the ones for heavy work, design and gaming, and they do not fit that format. This one takes them, and also leaves a separate sleeve for the tablet inside the same rear compartment.

WHERE IT DELIVERS

Built for those who carry big equipment every day

17-INCH LAPTOPS

The size almost nobody covers

Design, engineering and gaming laptops are around 17 inches. This backpack carries them in their own padded compartment.

- Up to 17"
- Padded compartment
- 45 x 33 x 17 cm

SECURITY ON THE STREET

Locked with a padlock

The double zip takes a padlock and there is a hidden pocket: what matters travels closed and out of reach on public transport.

- Lockable double zip
- Hidden pocket
- Water resistant

COMMUTING AND TRAVEL

Organised and on top of the suitcase

Two side pockets, a hidden one, a secondary one and an internal organiser, plus the rear strap to mount it on the luggage.

- 2 side pockets
- Internal organiser
- Luggage strap
